Closed for Application

EU Gateway | Business Avenues takes selected European companies to Indonesia and Singapore from 8-14 March 2017 for a business mission in [Contemporary European Design](#) [1].

The first part of the mission will take place in Indonesia where participants will attend technical seminars and pre-arranged business meetings with local companies. Participants will then travel to Singapore for two exhibition days coinciding with the International Furniture Fair 2017 at the Singapore Expo. This is a great opportunity to showcase European products and design to a targeted audience of potential business partners.

To find out more about this opportunity download the business mission information and [contact our dedicated team](#) [2], who can support your company with the application process.
