

Healthcare & Medical Technologies | Korea

FROM
11 MAR. 2019 TO 15 MAR. 2019

Closed for Application

The 2019 **Healthcare & Medical Technologies business mission** to Korea will take place from **11-15 March 2019, in Seoul**.

The five-day mission week includes networking meetings, site visits, exhibition days, and an opportunity to visit the Korea International Medical & Hospital Equipment Show (KIMES).

Spontaneous and pre-scheduled business meetings will take place during the exhibition days, and more follow-up meetings with new and existing contacts can be scheduled in the last days of the mission week.

The participant companies are logistically and financially supported by the EU throughout the entire process, from **personalised coaching** to **assisted business matchmaking** and **promotion on the local market**.

For further information on the facilities provided for the selected participants, read the attached [Business Mission Information](#) [1] document and **apply before 9 November 2018**.

For any details related to applications, contact a representative from the European coaching network for the programme at coaching.network@eu-gateway.eu [2].

Funded by the
European Union
