

Organic Food & Beverage | Korea

FROM
18 NOV. 2019 TO 22 NOV. 2019

Closed for Application

The 2019 Organic Food & Beverage business mission to Korea will take place from 18 to 22 November, in South Korea's capital, Seoul.

The five-day mission week includes **business-to-business meetings, site visits, a business networking reception**, and two days of **built-up booth exhibitions before Food Week Korea**, one of the biggest food business exhibitions in the country. In 2017, the event attracted over 40,000 visitors and is expecting higher numbers in 2019.

The European Commission logistically and financially supports the participant companies through coaching sessions, standard and customised services and extensive promotion on the Korean market.
