Closed for Application

European companies in the Information & Communication Technologies sector are invited to apply to the EU Gateway | Business Avenues 2019 edition of the business mission.

From 17 to 22 June 2019, selected companies will have the opportunity to explore the Singaporean and Thai markets and extend their businesses with the support of the EU.

The six-day mission week will start in Singapore, with product showcases and business meetings with a targeted audience of potential partners during CommunicAsia, Asia's biggest Information and Communication Technology trade event.

Concomitantly with the exhibition, meet-the-exhibitors sessions are scheduled to take place in order to boost the participants' visibility.

Then, in Bangkok, the participants will continue to have pre-arranged business meetings, meet-the-exhibitors sessions and networking events in an effort to maximise business potential in Thailand.

Download the [business mission information](#) [1] and **apply before 1 March 2019**.
