HEALTHCARE & MEDICAL TECHNOLOGIES

The image shows a man in a light blue shirt and glasses talking to a woman in a black jacket at an exhibition booth. In the background, a person is lying on a medical table. There are various signs and logos, including the EUGATEWAY logo and the Healthcare & Medical Technologies logo.

FROM
16 MAR. 2020 TO 20 MAR. 2020

Closed for Application

In 2020, the **Healthcare & Medical Technologies business mission** to Korea will be held from **16 to 20 March**, in **Seoul**.

Up to 50 companies from Europe will be selected for a weeklong business mission full of pre-scheduled business-to-business meetings with local companies, site visits and 2 exhibition days.

After the 2 exhibition days, participants also have an opportunity to visit to the Korea International Medical & Hospital Equipment Show (KIMES), a world-renowned trade event that gathers the biggest names in the industry.

See further information on the EU-funded mission and the programme in the attached Business Mission Information document.

Apply before 22 November 2019.

For any details related to applications, contact a representative from the European coaching network for the programme at coaching.network@eu-gateway.eu [1].

Funded by the
European Union
