

# Construction & Building Technologies | Singapore & Philippines

FROM  
02 NOV. 2020 TO 08 NOV. 2020

Deadline: 19 Jun. 2020

From 2 to 8 November 2020, the EU Gateway | Business Avenues mission for [Construction Building & Technologies](#) [1] will take place in South East Asia.

The mission week is a chance for the 50 European companies selected to create interest for their products and services and **gather valuable contacts in Singapore and the Philippines**.

In the Philippines, the companies will exhibit at PHILCONSTRUCT, the largest local expo for the construction & building industry.

Besides participation in the actual mission week, participants receive extensive market & business coaching before the event and help in the matchmaking process, to ensure they get to **meet** their **ideal customers on-site** and have a chance to **build long-lasting collaborations in Asia**.

The EU logistical and financial support guarantees that companies chosen for the programme can set up a business and expand successfully on the new markets.

Get more information about this opportunity in the [business mission information](#) [2] document attached.

For any questions, reach out to a representative of the coaching network at [coaching.network@eu-gateway.eu](mailto:coaching.network@eu-gateway.eu) [3].

Apply before 19 June.
