

# Advisory note on the COVID-19 Coronavirus situation

EU Gateway | Business Avenues

12 Mar. 2020

12 March 2020 - Following recent global developments on COVID-19 Coronavirus, we would like to confirm to EU-based companies that the [missions in the calendar](#) [1] will be held as planned, where we have confidence from the local organisers and public health authorities on the safety of the event. We will continue to monitor the situation closely and where new developments arise that may impact on a mission, we will contact selected companies.

The EU Gateway | Business Avenues programme exists to give the opportunity to meet, to trade and to establish long-lasting business collaborations in Asia. We remain committed to finding new business opportunities for EU-based companies to pursue, and to organising missions wherever we can do so.
