

Organic Food & Beverage | Korea

FROM
26 NOV. 2018 TO 30 NOV. 2018

Closed for Application

From **26-30 November 2018**, EU Gateway | Business Avenues takes selected European companies to Seoul for a EU-funded business mission focused on [Organic Food & Beverage](#) [1].

During this week, selected European companies will have the opportunity to showcase their products to potential business partners. Participants will also be able to **visit Food Week Korea**, Korea's largest general food-industry exhibition, on Thursday and/or Friday. The event will provide an opportunity to gain insight into trends in the local food industry, including the organic sector, and to meet potential new contacts.

Our programme provides coaching and market intelligence before the mission takes place. Participating companies will also benefit from **pre-arranged business meetings** with potential distributors or direct customers, and **promotion in the Korean market**.

Download the [business mission information](#) [2] for further details and apply by **15 June 2018**.

Funded by the
European Union
